

# MINOR PROGRAMS

A minor normally consists of 17-21 credits, and is recorded on student transcripts. A student may not major and minor in the same discipline. A minor contains at least 9 credits not duplicated in the student's major or in any other minor(s) that the student is pursuing. A student may duplicate hours between the minor and the general education core, unless otherwise stated in the specific minor.

## ART

It is strongly recommended that students who wish to concentrate on a particular medium select the design course related to that medium; for example, a person concentrating in sculpture should take 3-D Design.
